Exeter House is a forward thinking, aspirational and vibrant Special School in Salisbury. This is an exciting time for us as we are exploring opportunities for expansion and further development of our provision and aim to become a Centre of Excellence for the south of Wiltshire. We are committed to supporting our local community and have developed an outreach service. This has been exceptionally well received by both parents and professionals.

We are a supportive and caring school where we strive to enable everyone to be the best they can be. We not only believe in the extraordinary but seek it out in every student we work with and every staff member who works for us.

Exeter House is part of the Somerset Road Education Trust: a unique collaborative multi-academy trust, formed in partnership with St Mark's CofE Junior School and Wyndham Park Infants' School who share our campus. We also have an offsite vocational centre for our older students. At present the school caters for approximately 142 young people between the ages of 4 and 19 who have PMLD, SLD or Complex Needs. A significant number of students also have a diagnosis of autism.
